10th July 2014

Information Evening for the Research Hub (EHSI & HHI)

Dear Resident,

The Grangegorman Development Agency has recently appointed BAM Construction Ltd as building contractor for the first new DIT building on the Grangegorman site, the Research Hub. This building will be home to the Environmental Health Sciences Institute (EHSI) and Hot House Incubation spaces (HHI) for new start-up companies.

I would like to invite you to attend a drop in information evening to meet the building contractor on the **5th Floor of Park House on Wednesday 16th July between 3.30pm and 7.30pm** where staff will be available to go through the plans and discuss any queries you may have.

If you cannot attend the meeting but would like to find out more about this build or anything about the Grangegorman Project please contact the GDA on 01 8676070 and a meeting can be facilitated. You can also contact us by e-mail at communications@ggda.ie.

Yours sincerely,

Laura Keeve
Communications

On behalf of Grangegorman Development Agency
