**Information Evening for Stabilisation Works to the Lower House and the Church of  
Ireland Church**

Dear Resident,

The Grangegorman Development Agency has recently appointed Bourke Builders as building contractor for stabilisation works to the Lower House and the Church of Ireland Church on the Grangegorman site. The works to be carried out are to prevent these protected structures from further deterioration and to safeguard them for their future redevelopment.

I would like to invite you to attend a drop in information evening to meet the building contractor in the foyer of Rathdown House on the DIT Grangegorman campus on **Tuesday 18<sup>th</sup> November between 3.30pm and 7.30pm** where staff will be available to go through the plans and discuss any queries you may have.

If you cannot attend the meeting but would like to find out more about this contract or anything about the Grangegorman Project please contact the GDA on 01 4024140 and a meeting can be facilitated. You can also contact us by e-mail at [communications@ggda.ie](mailto:communications@ggda.ie).

Yours sincerely,

Laura Keeve
