Information Manager

Grangegorman Development Agency

1. Background Information on the Post

The Grangegorman Development Agency (GDA) is a statutory agency established in 2006 by the Irish Government under the [Grangegorman Development Agency Act 2005](#) to redevelop the 30 ha (73 acre) former St. Brendan's Hospital grounds in Dublin's North Inner City. The development represents one of the largest regeneration projects and urban design undertaken within the city core for many decades.

The GDA's mission is to transform Grangegorman into a vibrant community that encompasses a world class, integrated and inclusive education, health, and community campus. This will be achieved by delivering a built environment that is in keeping with the Grangegorman Masterplan Vision.

In doing so, the Agency's vision is to be locally and internationally recognised as an exemplar of community urban regeneration, focused on education and health.

The Agency values are:

Collaboration	We work hard with all our stakeholders to ensure everyone's voice is heard and considered; we align ourselves strategically and apply our resources to achieving our shared objectives
Delivery Focused	We are a fixed purpose Agency whose job it is to transform Grangegorman, while optimising value for money.
Design Quality	We ensure that all projects, activities and initiatives developed by, or on behalf of, the Agency are designed to the highest quality and sustainability standards.
Integrity	We always act with integrity with all of our stakeholders, end users, neighbours, contractors, consultants and colleagues. We work to build and maintain trust, to treat everyone with respect, to be patient and to always endeavour to do the right thing.
Sustainability	We will endeavour to ensure that everything designed and built by and on behalf of the Agency is as environmentally and socially sustainable as possible. This applies to buildings, infrastructure and public realm; our activities, initiatives and operations; and our relationships with stakeholders.

The Grangegorman Development consists of a number of interrelated projects across the education, health and community sectors as follows:

- TU Dublin: Consolidation of TU Dublin's city centre activities which will ultimately bring some 22,000 students and 2,000 staff together at a single location. Programmes I and II included site-wide infrastructure and adaptive reuse of existing historic buildings along with the development of the new East and Central Quads. These are now completed and currently in full occupation by the University. Programme III is currently in advanced planning and will be the main TU Dublin delivery focus for the Agency over the coming years. TU Dublin Programme III is a suite of projects and tasks of varying

scales and complexity, from circa €100K to greater than €100M. It includes, inter alia, the development of a West Quad to accommodate the School of Business, School of Languages and Law and the University Exam and Event Space. The FOCAS Research Institute which will further consolidate an emerging research and innovation hub in Grangegorman, and the Academic Hub & Library to serve the campus and provide a focal point for Grangegorman and the city. The Academic Hub & Library has recently commenced a 2-year construction programme.

- HSE: The relocation of residents and staff of St. Brendan's Hospital from antiquated accommodation into a purpose built 54-bed facility on the site was achieved in March 2013. The subsequent project, the Primary Care Centre opened in 2018, serving the Grangegorman and Cabra East areas, as well as providing specialist services, including audiology, for the wider Dublin area. The next phase for the HSE will be the Residential Care Neighbourhood. This project, which is due to be lodged for planning shortly, will result in the provision of a new Residential Healthcare Facility for older people with high dependency needs and a Day Care Centre offering services to older residents from the local area. A further significant new healthcare development off the North Circular Road and a new Mixed Use development at Broadstone are also to be delivered for the HSE.
- Community: The GDA is providing a major public recreational and amenity resource for the north inner city including health facilities, primary school, playgrounds and park, and access to sports facilities. Connecting the Grangegorman site into the fabric of the wider city is fundamental to its success. The first playground opened in September 2015 and has proven to be a fundamental asset to the community. Further developments of this nature will be delivered in parallel with TU Dublin, HSE and other facilities. The GDA is a key partner in the Grangegorman Area Based Childhood programme and the Grangegorman Employment Charter, which seeks a minimum of 20% local employment for new jobs on site, has been successfully operating since 2012. The GDA is also supporting community involvement in a wide variety of initiatives through '...the lives we live' Grangegorman Public Art and Grangegorman Histories programmes.

2. Project Vision

The Vision for the Grangegorman Project elaborates upon the statutory purpose of the GDA and embraces the identified needs of the stakeholders to describe a vision for the future reality of Grangegorman and to establish key success measures for the project.

The Project Vision establishes the overall Project Aims and may be described as follows:

- To achieve excellence in architecture, urban design and sustainability and protect the architectural heritage of the site.

- To develop a new city quarter which links with and adds value to its surrounding neighbourhoods and the city in general and articulates Dublin City Council's vision for the City as expressed in the City Development Plan.

Prior to recommending any candidate for appointment to this position, the GDA will make all such enquiries that are deemed necessary e.g., employer references, to determine the suitability of that candidate. Until all stages of the selection process have been fully completed, a final determination cannot be made, nor can it be deemed or inferred that such a determination has been made. Qualification and placement on a panel is not a guarantee of appointment to a position. Please note that once an offer of appointment has been accepted a candidate may no longer remain on the panel.

7.7. Security Clearance

This form will be forwarded to An Garda Síochána for security checks on all Irish and Northern Irish addresses at which you resided. However, should your application for the competition be unsuccessful, this form will be destroyed by GDA. If you subsequently come under consideration for another position, you may therefore be required to complete a further Garda eVetting Form. Special Security Clearance is a requirement for appointments to certain offices or departments.

If you have resided/studied in countries outside of the Republic of Ireland for a period of 6 months or more, you will need to provide a separate Police Clearance Certificate for each country you have resided in. Clearance must be dated after the date you left the country.

It is YOUR responsibility to seek security clearances in a timely fashion as they can take some time. You cannot be appointed without this information being provided and being in order.

7.8. Specific candidate criteria

In addition to fulfilling the eligibility criteria set out, candidates must:

- Have the knowledge and ability to discharge the duties of the post concerned;
- Be suitable on the grounds of health & character;
- Be suitable in all other relevant respects for appointment to the post concerned;
- If successful, they will not be appointed to the post unless they:
 - Agree to undertake the duties attached to the post and accept the conditions under which the duties are, or may be required to be performed; and
 - Are fully competent and available to undertake, and fully capable of undertaking, the duties attached to the position.

7.9. Non-Refund of Expenses

Any expenses incurred by candidates whilst undertaking or attending any elements of the selection process will not be refunded.

7.10. Other important information

The admission of a person to a campaign, or invitation to attend an interview, is not to be taken as implying that the GDA are satisfied that such person fulfils the requirements of the competition or is not disqualified by law from holding the position and does not carry a guarantee that your application will receive further consideration. It is important, therefore, for you to note that the onus is on you to ensure that you meet the eligibility requirements for the competition before attending for interview. If you do not meet these essential entry requirements but nevertheless attend for interview you will be putting yourself to unnecessary expense.

Prior to recommending any candidate for appointment to this position the GDA will make all such enquiries that are deemed necessary to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed a final determination cannot be made nor can it be deemed or inferred that such a determination has been made.

7.11. Candidates' Obligations

Candidates should note that canvassing will disqualify and will result in their exclusion from the process.

Candidates must not:

- knowingly or recklessly provide false information;
- canvass any person with or without inducements;

- interfere with or compromise the process in any way;
- personate a candidate at any stage of the process.

Any person who contravenes the above provisions or who assists another person in contravening the above provisions is guilty of an offence. A person who is found guilty of an offence is liable to a fine/or imprisonment.

In addition, where a person found guilty of an offence was or is a candidate at a recruitment process, then: where s/he has not been appointed to a post, s/he will be disqualified as a candidate; and where s/he has been appointed subsequently to the recruitment process in question, s/he shall forfeit that appointment.

7.12. Deeming of candidature to be withdrawn

Candidates who do not attend for interview or other test when and where required by the GDA, or who do not, when requested, furnish such evidence as the GDA require in regard to any matter relevant to their candidature, will have no further claim to consideration.

7.13. Declining an offer of appointment

Should the person recommended for appointment decline, or having accepted it, relinquish it or if an additional vacancy arises the GDA may, at its discretion, select and recommend another person for appointment on the results of this selection process.

7.14. Confidentiality of Information and Materials

It is important to remember that this is a competitive process for a role where integrity is paramount. Sharing information on the selection process e.g., through social media or any other means, may result in you being disqualified from the competition. Please note that all assessment and test materials are subject to copyright and all rights are reserved. No part of the test material (including passages of information, questions or answer options), associated materials and/or interview related information may be reproduced or transmitted in any form or by any means including electronic, mechanical, photocopying, photographing, recording, written or otherwise, at any stage. To do so is an offence and may result in you being excluded from the selection process. Any person who contravenes this provision, or who assists another person(s) in contravening this provision, is liable to prosecution and/or civil suit for loss of copyright and intellectual property.

7.15. Use of Recording Equipment

GDA does not allow the unsanctioned use of any type of recording equipment on its premises. This applies to any form of sound recording and any type of still picture or video recording, whether including sound recording or not, and covers any type of device used for these purposes. Any person wishing to use such equipment for any of these purposes must seek written permission in advance. This policy is in place to protect the privacy of staff and customers and the integrity of our assessment material and assessment processes. Unsanctioned use of recording equipment by any person is a breach and will result in the candidate being disqualified from the competition.

7.16. Quality Customer Service

We aim to provide an excellent quality service to all our customers. If, for whatever reason, you are unhappy with any aspect of the service you receive from us, we urge you to bring this to the attention of the unit or staff member concerned. This is important as it ensures that

we are aware of the problem and can take the appropriate steps to resolve it. Feedback will be provided on written request.

7.17. General Data Protection Regulation (GDPR)

The General Data Protection Regulation (GDPR) came into force on the 25th May 2018, replacing the existing data protection framework under the EU Data Protection Directive. When you register with the GDA or submit an application for a competition, we create a computer record in your name. Information submitted with a job application is used in processing your application. Where the services of a third party are used in processing your application, it may be required to provide them with information, however all necessary precautions will be taken to ensure the security of your data. If you are successful in the recruitment and selection competition, your application may be made available to sections of the organisation to which you have been assigned.

To make a request to access your personal data please submit your request by email to: Gdpr@ggda.ie ensuring that you describe the records you seek in the greatest possible detail to enable us to identify the relevant record(s).
