

GDA Mission Vision and Values Statement

Mission Statement

To transform Grangegorman into a vibrant community that encompasses a world class, integrated and inclusive education, health, and community campus. This will be achieved by delivering a built environment that is in keeping with the Grangegorman Masterplan Vision.

Vision

To be locally and internationally recognised as an exemplar of community urban regeneration, focused on education and health

Values

Collaboration	We work hard with all our stakeholders to ensure everyone's voice is heard and considered; we align ourselves strategically and apply our resources to achieving our shared objectives
Delivery Focus	We are a fixed purpose Agency whose job it is to transform Grangegorman, while optimising value for money.
Design Quality	We ensure that all projects, activities and initiatives developed by, or on behalf of, the Agency are designed to the highest quality and sustainability standards.
Integrity	We always act with integrity with all of our stakeholders, end users, neighbours, contractors, consultants and colleagues. We work to build and maintain trust, to treat everyone with respect, to be patient and to always endeavour to do the right thing.
Sustainability	We will endeavour to ensure that everything designed and built by and on behalf of the Agency is as environmentally and socially sustainable as possible. This applies to buildings, infrastructure, and public realm; our activities, initiatives and operations; and our relationships with stakeholders.
