The poster features a warm orange-to-yellow gradient background. On the left, a black silhouette of a street lamp with a checkered disco ball hanging from it is positioned above a silhouette of a city skyline with several chimneys. A string of white and black pennant flags runs across the bottom left. In the center, the text 'THE 2019 STONEY BATTER FESTIVAL' is prominently displayed in white. Below this, the event details are listed in black. The bottom right corner contains logos for the City of Dublin, Stoneybatter Community Centre, and Dublin City Council, along with the festival's website and hashtag. A small cluster of three black birds is located to the right of the main title.
