PRE-CONSTRUCTION

PRE-CONSTRUCTION

ACADEMIC HUB

WEST QUAD

D7ET National School

A collage of various architectural drawings, site plans, and maps is scattered on a light-colored wooden surface. The drawings include detailed urban layouts, building footprints, and green spaces. One central drawing is a white sheet with the text "Drawing Together Grangegorman Development Agency" and a small logo. Another drawing shows a large green field with a path. The drawings are overlapping and arranged in a non-linear fashion.

CENTRE

A collage of various architectural drawings, maps, and site plans is scattered across a light-colored wooden surface. The drawings include detailed street layouts, building footprints, and green spaces. One central drawing is a white sheet with the text "Drawing Together Grangegorman Development Agency" and a small logo. Another drawing shows a large green field with a path. The word "CONSERVATION" is overlaid in large, bold, black letters across the bottom left of the collage.

CONSERVATION

CARRIAGE GATES

A collage of various architectural drawings, including site plans, street maps, and conceptual urban designs, scattered on a light-colored wooden surface. The drawings feature hand-drawn lines, color washes in shades of pink, blue, and green, and some printed text. One drawing in the center-right has the text 'Drawing Together Grangegorman Development Agency' and 'plattreacht.ie' printed on it. The overall composition suggests a creative and collaborative planning process.
