The Leinster Fleadh is coming to Dublin in July 2023!

Join us in TU Dublin, Grangegorman to celebrate the very best that Traditional Irish Music, Song & Dance has to offer.

Fleadh Laighean 2023

Join us in the vibrant surroundings of TU Dublin Grangegorman as we celebrate Dublin 7 and all its thriving local communities have to offer. Explore Dublin city's rich cultural heritage and experience the very best of traditional Irish music, song & dance as the finest musicians in Leinster come together to compete, to celebrate, and to welcome you into the fold. Join us for a fleadh like no other, in the heart of Dublin city.

An Fleadh Cheoil

The Fleadh Cheoil is a series of music competitions, organised by Comhaltas Ceoltóirí Éireann, to aid in the promotion and preservation of Traditional Irish Music, Song & Dance, as well as the Irish language.

Instrumental music competitions include solo, duet, trio, grúpaí cheoil and céili bands, with competitions also taking place for Irish and English language sean nós singing; newly composed tunes; storytelling and Comhrá Gaeilge, as well as sean nós dancing, set dancing and céili dancing.

Competitions are organised in four age categories:

- A: Under 12
- B: 12-15
- C: 15-18
- D: Over 18/Senior

How to Qualify for Leinster Fleadh

Competitors at Leinster Fleadh qualify by competing in their county fleadh. There are 12 county fleadhanna that take place throughout the province of Leinster annually.

Winners of first and second prize in each competition at the county fleadh go on to qualify for Leinster Fleadh.

Fleadh Cheoil na hÉireann

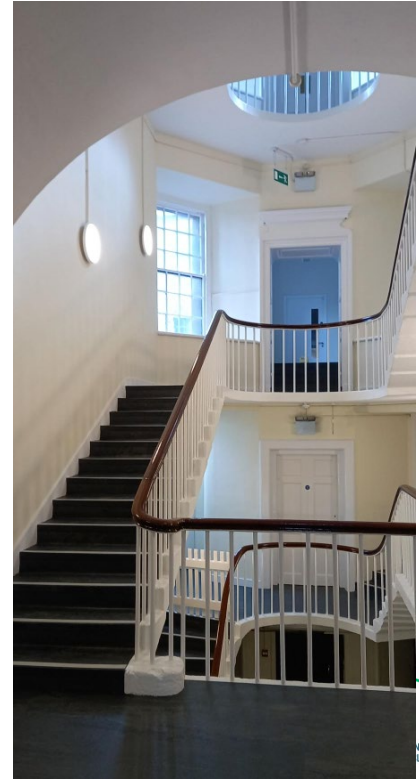

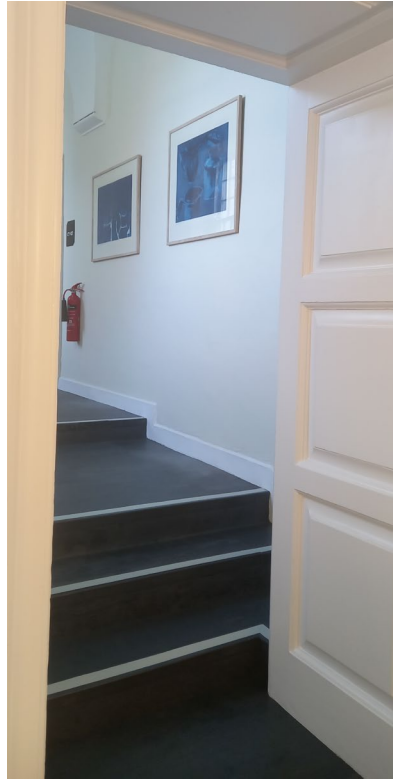

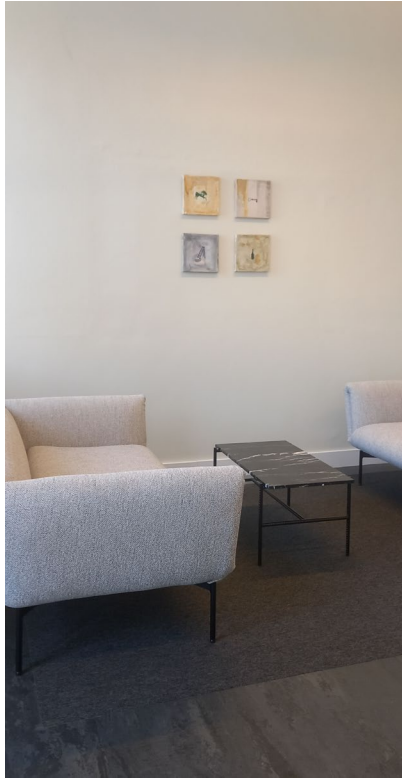

The winners of first and second prize in each competition at the Leinster Fleadh will then in turn qualify for Fleadh Cheoil na hÉireann which takes place from 6th – 14th August in Mullingar, Co. Westmeath.

Welcome to Leaf No Waste

We're a collaborative research team between TU Dublin and Teagasc working to increase the shelf life of fresh foods so they can be packaged in compostable packaging, thereby reducing food waste and plastic packaging waste. We're funded as the winners of Science Foundation Ireland's €2 million Future Innovator Prize.
