Consultative Group Meeting
9 December 2021

GDA Mission Statement

To transform Grangegorman into a vibrant community that encompasses a world class, integrated and inclusive education, health, and community campus. This will be achieved by delivering a built environment that is in keeping with the Grangegorman Masterplan Vision.
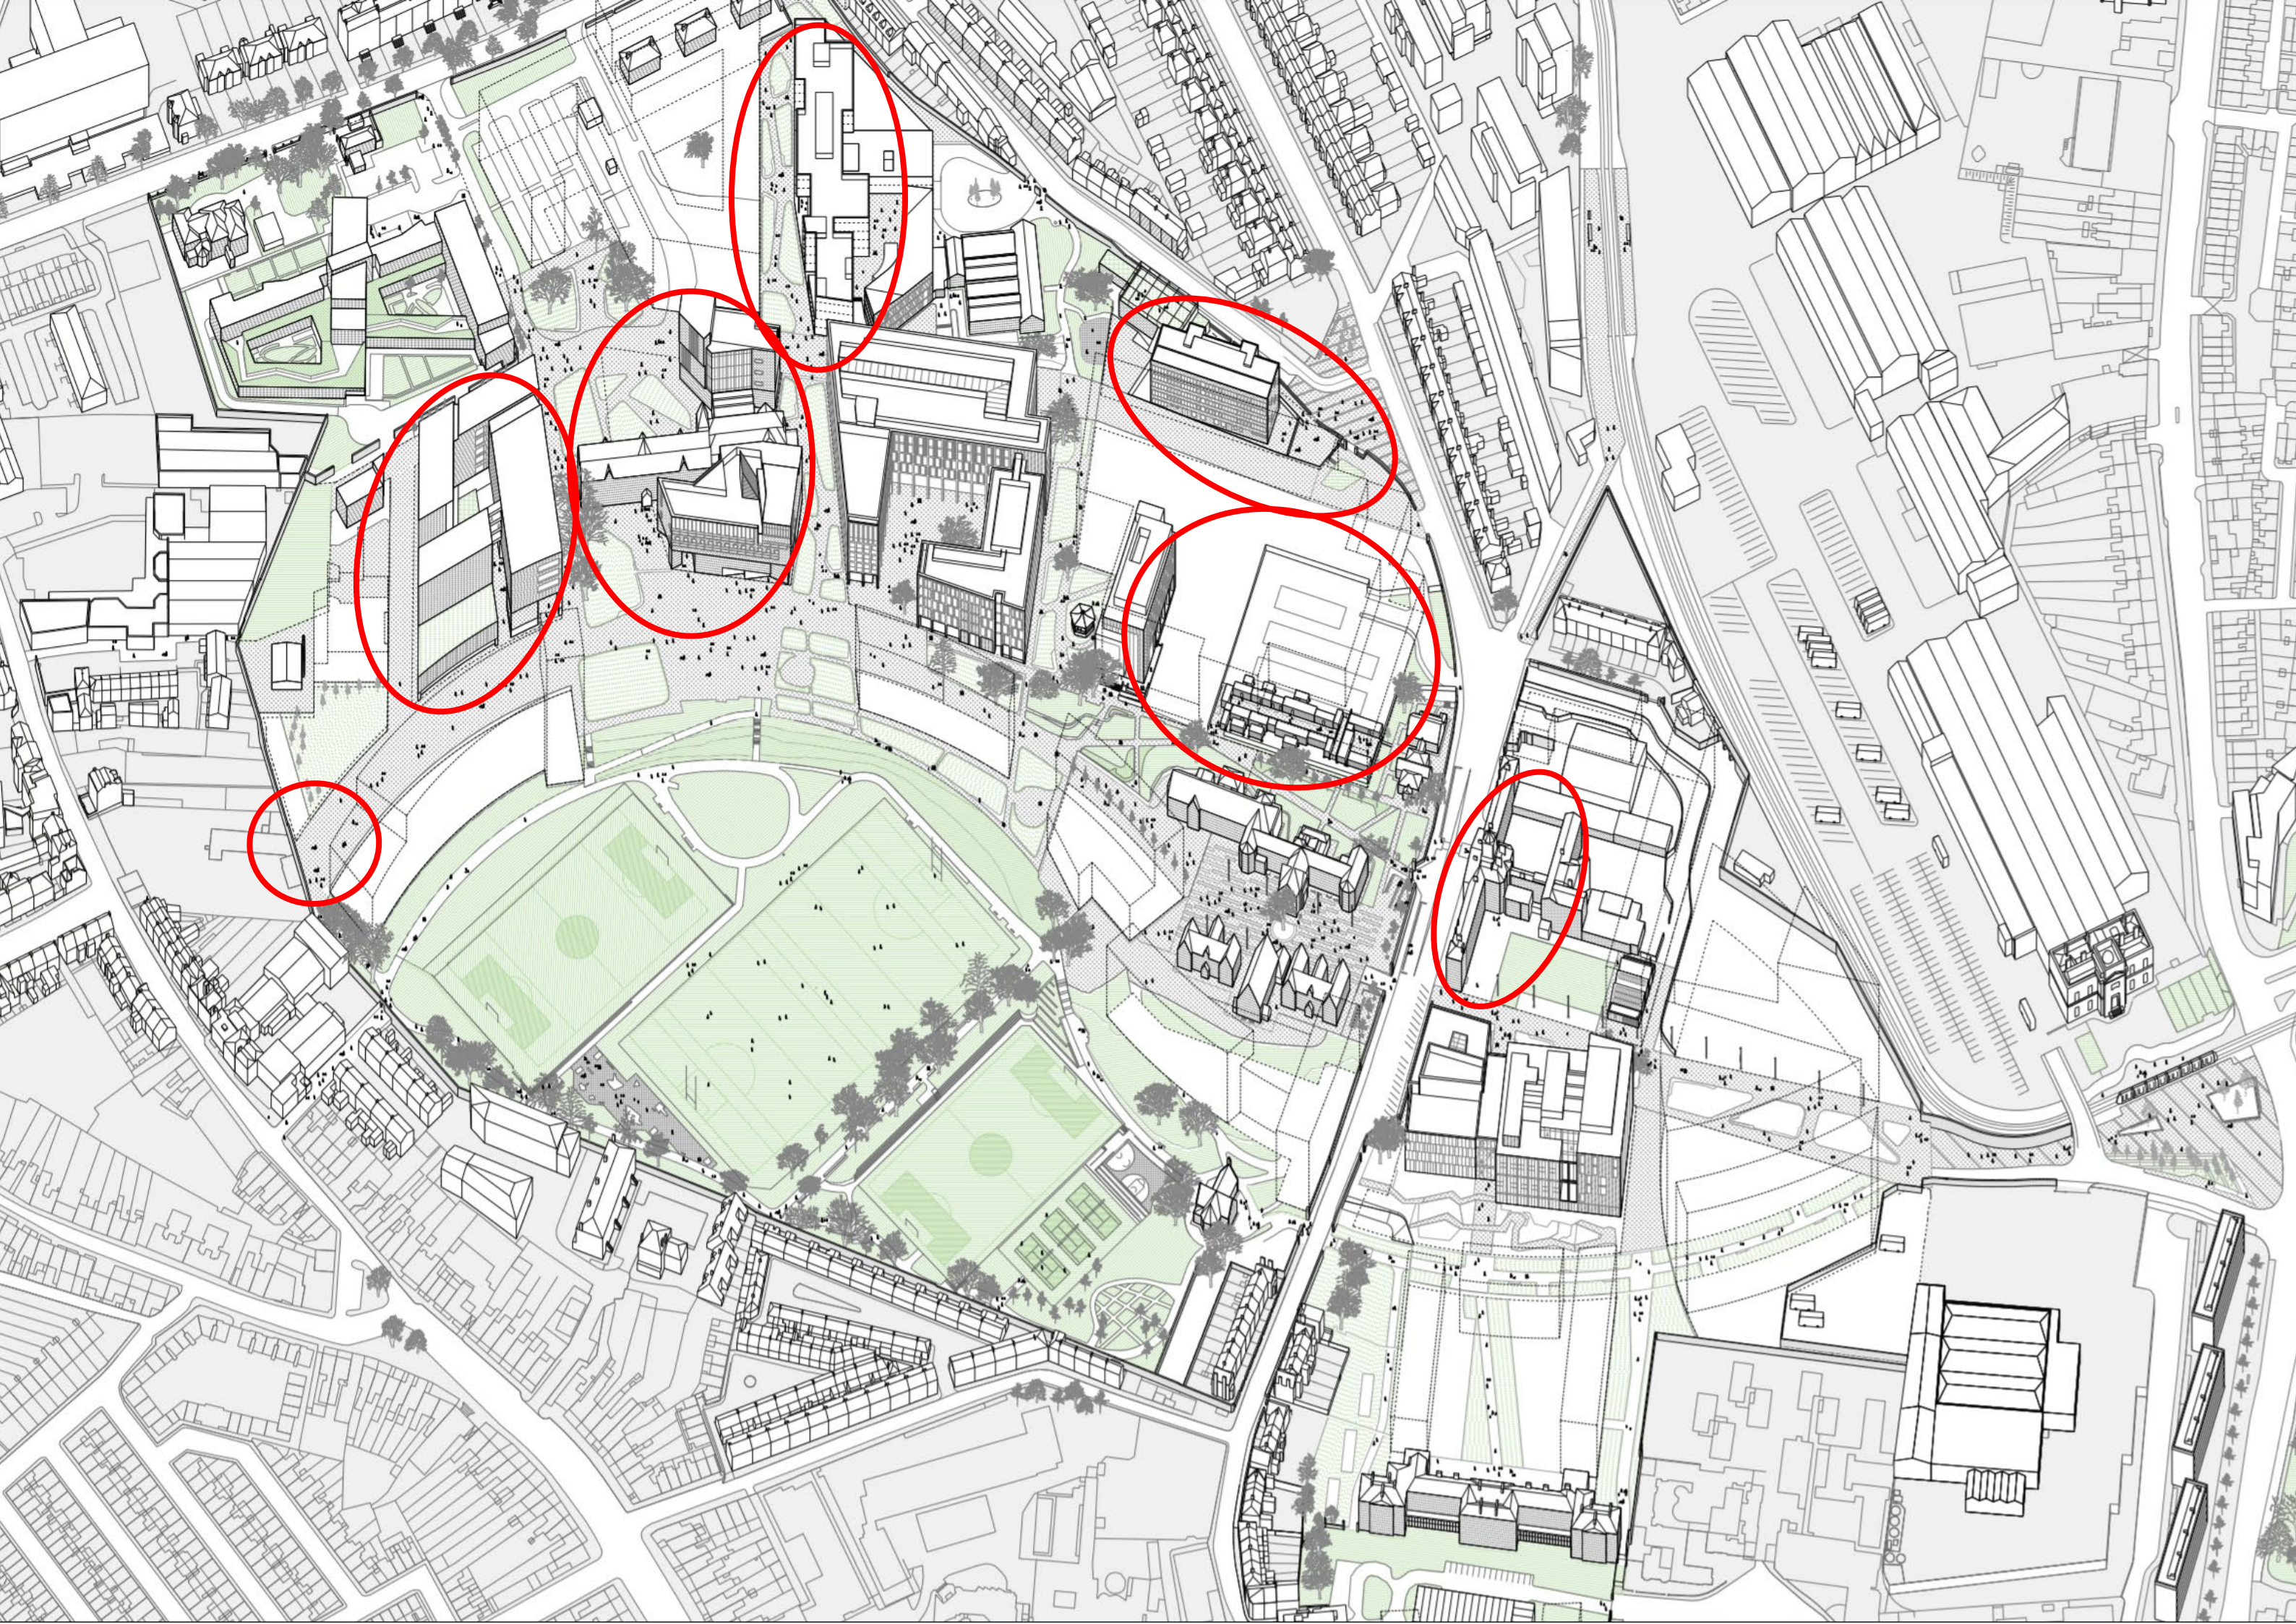

GDA Vision

To be locally and internationally recognised as an exemplar of community urban regeneration, focused on education and health.

GDA Core Values

• Collaboration
• Delivery Focused
• Design Quality
• Integrity
• Sustainability
